# ABOUT US

In Khatib Designs we work as a family. Even though, our team is formed by specialists from all over the world, we work as one and we are proud to offer you the best world wide quality.

Our story started in 2015, when the founders of Khatib Designs, Nader & Iva Khatib, decided to open their own design and development company, that keeps their work values high and deliver the best, exclusive products to their clients.

Nowadays, Khatib Designs has a constantly growing family of team members and happy clients that all believe in one thing:

Together We Venture!
